C+C VITAMIN BODY SCRUB

Aromatic citric body exfoliant :A citric body exfoliant with a fresh and pleasant texture. Its properties provide a smooth and efficient exfoliation that helps refine the surface of the skin by nourishing and removing roughness, blackheads and dead cells that minimize its brightness. Its exclusive formula, which is composed of Rosa Mosqueta seeds, exfoliant micro sponges with Bitter Orange and Bamboo extract, and micro particles of lava, provides the skin with a soft, silky and velvety appearance.

Benefits:

- Provides effective, smooth, non-aggressive exfoliation.
- Eliminates impurities and dead cells that suffocate the skin.
- Protects the skin's lipid barrier.
- Hydrates and soothes.
- Enhances the penetration of treatment products applied subsequently.

DIAMOND DROPS

DNA shield and complexion finish serum: Extraordinary shield that hydrates and softens the skin while restoring elasticity. This serum is applied over the day cream, creating a transepidermal membrane that protects the skin by ensuring the absorption of previously applied treatments. Its extraordinary protection and immediate lifting effect smooth fine lines and wrinkles.

Benefits:

- Contains Marine DNA that acts as a protective barrier against environmental aggressors.
- Skin immediately feels soft and silky.
- Diminishes signs of fatigue and stress.

TENSOLIFT NECK CREAM

Throat and Décolleté micro-lifting cream: The instant solution to prevent the effects of aging on the neck, décolleté and breast area. Its deeply penetrating formula stimulates an internal micro-lifting that naturally tightens the skin.

Benefits:

- Helps prevent the formation of lines and wrinkles on the neck known as “Rings of Venus”. It lifts and defines the contours of the face.
- Strengthens the skin's natural bra and firms the tissue that supports the breasts.
- Diminishes and prevents the appearance of dark spots.

EYE MAKE-UP REMOVER

Hypoallergenic lotion: This oil-free, alcohol and fragrance free formulation gently but effectively removes even water resistant makeup. Its exceptional strengthening complex with botanical extracts helps lengthen eyelashes. Suitable for people with sensitive eyes or contact lens wearers.

Benefits:

- Does not irritate skin.
- Softens and decongests.
- Oil-free.
- Gently removes makeup from eyes and lips.
- Dermatologically and ophthalmically tested.

SUN DEFENSE SPF 30 Y 50 UVA/UVB INTENSE OIL FREE FLUID

Dry touch anti-aging sunscreen: A silky, lightweight fluid that contains a highly effective sunscreen system to provide a broad-spectrum protection from the sun's damaging UVA and UVB rays. The formulation contains collagen amino acids and botanical extracts that help to protect and repair the damage caused by sun radiation and signs of premature aging. It includes bio-available tyrosine, a pro-melanin complex which enhances the skin's natural ability to tan while protecting it from sun damage.

Benefits:

- Prevents signs of premature aging and dark spots.
- Anti-aging protecting cream that provides a safe tan.
- Reduces the risk of sun induced erythema.
- Anti-free radical protection.
- Prevents the appearance of wrinkles.
- Repairs and prevents cellular damage caused by UV rays.
- Oil-free formula, does not leave oily residue.
- Increases firmness and elasticity.

SUN DEFENSE SELF-BRONZE CREAM

Self-tanning cream: A facial and body self-tanning cream that instantly provides a beautiful year-round golden tan without the need for sun exposure. The self-tanning effect provides the skin with an even, long-lasting tan within two hours of application. It contains ingredients which prevent dehydration as well as a combination of agents that provide an even and luminous tan. The anti-free radical and regenerating elements in the formula help to preserve the skin's youthful beauty.

Benefits:

- Protective fluid that provides a gradual and lasting tan
- Protects the skin from UVA/UVB rays.
- Enhances the skin's natural ability to tan.
- Diminishes the risk of sun-induced erythema.
- Anti-free radical protection.
- Ideal for men and oily skin.
- Highly moisturizing, light and refreshing fluid.
- Skin protectant.
- Easily absorbed. Does not leave oily residue

SUN DEFENSE SUN ALOE BALM

SUN ALOE BALM is an ultra-hydrating repair lotion for face and body. Formulated with organic Aloe Vera and Bisabolol, a natural chamomile element, it provides intense hydration and helps to repair damage caused by the sun, wind, and cold. Vitamin E helps to protect against free radicals and a copper complex enhances the natural tanning process of the skin. Its calming benefits immediately soothe, reduce redness and prevent peeling, leaving the skin refreshed and with a satiny texture.

Benefits:

- Repairs damage caused by UV rays, the wind and cold weather.
- Provides intense hydration.
- A surprisingly lightweight fluid that is rapidly absorbed.
- Anti-free radicals protection.
- Soothes and alleviates the discomfort caused by the sun.
- Prevents flaking and peeling.
- Provides a long-lasting tan.
- Pleasantly refreshing.
